Seller guide

Online Goat Market · Brofour Farming · Android phone

Seller app
brofour.co.za/seller
Buyers: brofour.co.za/goats

A Set up your phone (one time, 3 minutes)

1 Open and log in

Open **Chrome**. Go to **brofour.co.za/seller**. Enter your email and password.

2 Install the app

Tap ⋮ (top right) → **Install app** or **Add to Home screen**. Open it from the new goat icon.

3 Turn on alerts

On the seller home tap **Turn on phone alerts**, then **Allow**.

4 Check the test alert

A test alert comes in seconds. Real sales look like the lower one. Tap it to open the order.

B How a sale works

YOU

1. Add a goat

+ Add goat → details, price, tag → **Save**. Then add up to 8 photos and 1 short video. Sex: Male, Female or Kapater. Females: pregnant / kids born.

YOU

2. Share on WhatsApp

Tap **Share** on one goat, or **Share all goats**. Choose the chat. The buyer sees photo, name and price.

BUYER

3. Buyer orders

Taps **Buy this goat**, gives name, ID, cellphone, address, agrees to the Terms and chooses: **Card (Payfast)** – goat SOLD at once; **EFT** or **Cash at collection** – goat is hidden and waits for you.

APP

4. You get an alert

Card: **Sold** alert, order under **Paid – to release**. EFT/cash: **New order** alert, blue banner and tab **Awaiting payment**.

YOU

5. Payment + receipt

EFT: proof of payment comes to jonathanbrody26@gmail.com – check your bank, then **Mark as paid** (2 taps). **Cash:** take the cash at collection, then **Mark as paid**. Then **Send receipt** and print the **Removal document**.

YOU

6. Collection

At Glen Victor Meats & Abattoir, 20 Nahoon Dam Road, from the day after payment. Fill in the seller section. You and the buyer (or driver) sign. Check the tag. Tap **Mark as collected**.

Good to know

- **Edit a goat:** tap it under **My goats**. Change price, photos (tap **Cover** for the main photo) or details.
- **Not for sale now? Hide from marketplace**. **Delete** needs two taps.
- **Sold goats** stay visible with a SOLD stamp for 14 days. Buyers see that you sell.
- **EFT not paid?** Open the order → **Cancel order**. The goat stays hidden; open it and tap **Show in marketplace again** to resell. EFT reference = order number (GG-...).
- **Buyer has a question?** Buttons **WhatsApp us** / **Ask on WhatsApp**. No phone number is shown before payment, so buyers do not call.
- **Receipt link** always works. The buyer can open it any time.

AWAITING PAYMENT · PAID = release goat · COLLECTED = done · REFUND NEEDED

Rules and safety

- **Release a goat only** when the order shows **PAID** in the app. Never on a screenshot alone.
- **REFUND NEEDED** (rare): two buyers paid for one goat. Refund the second buyer in Payfast, then tap **Refund done**.
- **Keep** your copy of the signed removal document. The buyer keeps theirs for at least 1 year (Stock Theft Act).
- Check if the destination needs a **veterinary movement permit**.
- **ID numbers** are private. Share them only on the removal document.
- **Refunds** take 10–15 working days (Terms, link at the bottom of every page). 8 wrong passwords lock login for 15 minutes.
- Alerts stopped? Open the app → **Turn on phone alerts** again, or tap **Test**.
